

# Response guide of the Sensoa Flag System

Conversation tool that adds structure to your communication about sexual behaviour with all those involved.

## Naming

Put the behaviour into words and give it language.

## Questioning

Ask about thoughts, feelings, wishes and desires.

Focus on reflections of those involved, do not be judgemental or proscriptive.

## Affirming

State what is okay and why.

## Set boundaries

Set boundaries for the behaviour in case of yellow flag, stop at red or black flag.

State what is not okay. Don't be judgemental. Draw a clear line.

## How to proceed?

Reach agreements

Explain or act on consequences

- confront and prohibit
- increase supervision
- offer psycho-education, help or counselling
- refer where necessary
- report

Follow-up care and recovery

Consider all involved.
